## Fall Harvest Offering

From now until January, the Sunday School offering will focus on filling the shelves at local food pantries.

On Sundays, encourage your child to "harvest" a non-perishable food item as their offering. Throughout the fall, we will gather these items in the Resource Room.

Right before Thanksgiving, we will learn about how God provided food to Moses and the Israelites in the desert. This Fall Harvest Offering will teach children how to serve as God's hands and feed God's flock. Our hope is for the children to understand the importance of giving back to the community on a local level.

*This Fall: Don't Miss Moses!*
